### SUMMARY

---

Bilingual (English/Portuguese) journalist and communications specialist with 6+ years across newsrooms (g1, CNN Brasil, Record TV), internal and corporate communications (Bosch and Auren Energia, part of the Votorantim Group) and influencer marketing. I plan and produce content for every kind of channel, from newsletters and intranets to video and social media, and I use data to decide what works: I doubled internal Instagram engagement (5% → 11%), raised the newsletter open rate from 60% to 75% and tripled the rate per sponsored post for the creators I manage. Postgraduate specialisation in Strategic Corporate Communication and Crisis Management (FAAP).
